Dear Mr Ryan keong and team,

Letter of Appreciation for Space Simplified Sdn. Bhd.

We want to show our token of appreciation to your company Space Simplified Sdn. Bhd for the successful renovation of our outlet in Pavilion. During the renovation project, the Space Simplified team has blown us away with their high level of professionalism and dedication to quality as well as their understanding towards our recommendation and the flexibility of the team. Without these strengths represented in the Space Simplified team, the whole renovation process wouldn't have gone seamlessly.

That being said, we were impressed by the quality of their work through their careful workmanship and their attention to detail attitude while consistently delivering their work in a timely manner and within budget. Throughout the entire project, we appreciated the open communication the availability of the team as they were very responsive to our concerns and suggestions. It is very evident that Space Simplified takes pride in its work and continues to strive to bring value to their customers' satisfaction. With their continuous effort in assisting problem-solving scenarios and offering renovation solutions, we are entirely pleased with how our Pavilion store turned out.

On behalf of Rhapsody Time Sdn. Bhd., we express our gratitude and appreciation to the successful completion of our Pavilion store renovation project. We wish the Space Simplified team all the best and we look forward to working with them in the near future.

Yours sincerely,

Mr. Yap Chun Boon  
Managing Director
