Attn : TO WHOM IT MAY CONCERN

Dear Sirs,

LETTER OF RECOMMENDATION

We are pleased to note our satisfaction with the standard of service offered to us by Flexi Portfolio Sdn Bhd (Flexi Portfolio). They have acted in a professional manner from the beginning of the consultation phase to the actual implementation of the project.

Flexi Portfolio was engaged as the interior design consultant for the construction of the Melawati Mall Showsuite. Throughout the design development process, Flexi Portfolio was able to successfully interpret the concept ideas and aesthetics we intended for our Showsuite to come up with a creative and practical design solution for the task at hand.

They managed to balance between the budget provided and aesthetic outcome satisfactorily, and were able to listen and respond to our requests in a timely manner. They also possessed good communication skills which aided in decision-making and maintaining a clear direction for the project.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Daniel Chua'.
