Dear Sir/Madam,

### **RECOMMENDATION LETTER FOR FLEXI PORTFOLIO SDN BHD**

We would like to express our heartfelt appreciation to Flexi Portfolio Sdn Bhd, also known as twentythree for the design, project management and renovation services provided throughout our collaborations.

23 has provided over five years of continuous creditable service for Watatime (M) Sdn Bhd. It has been a complete pleasure working with twentythree. They have created a significant impact towards the success in introducing Watatime's new brand architecture resulted from the relentless effort in going through a series of communication, analysis and visualisation of our new concept. They have also shown their creativity in the Watatime Pavilion design by introducing a luxury and daring monogram elements for this outlet. In the later projects, twentythree appears to be unbeatable and never give up in providing new business strategies to compete with others during price war.

The expertise, service and workmanship provided by the entire twentythree team was of high level from design phase, construction phase until after sales services. They had shown their commitment and efficiency in coordinating with all aspects of works. The exemplary workmanship was demonstrated through the construction of the many Watatime retail outlets.
